

WILLIAM J. CANARY
PRESIDENT AND CHIEF EXECUTIVE OFFICER

BUSINESS COUNCIL
OF ALABAMA

February 22, 2006

The Honorable Mike Rogers, Congressman
United States House of Representatives
Washington, DC 20515

Dear Congressman Rogers, *Mike,*

I am writing to encourage your support of H.R. 4167, the National Uniformity for Food Act of 2005.

Each and every day we fight for our members in the face of increasingly complicated regulations and rising production costs. Accordingly, the fact that H.R. 4167 streamlines food safety standards into a national process makes it particularly appealing to Alabama's economy. H.R. 4167 is a reasonable solution to lifting the superfluous burden the business community presently faces. The manufacturers we represent will benefit substantially from a uniform set of rules and regulations concerning the packaging of food products.

We ask that you likewise recognize the advantages of H.R. 4167 and join its 227 co-sponsors as this legislation heads to the floor of the House.

Thank you for your consideration to this matter.

William J. Canary

Sincerely,

WJ Canary
